2) RULES

- A) All races will be governed by the 2021-2024 World Sailing's Racing Rules of Sailing including US Sailing Prescriptions (RRS).
- B) The rules of the LMPHRF will apply except as altered by the following. A current PHRF certificate is recommended for all yachts, and can be obtained by going online to www.lmphrf.org. LMPHRF handicaps are time on distance handicaps applied to determine winners of races. Yachts not having a current certificate will be assigned an average "book" rating less a six second penalty. There will be no retroactive favorable adjustment of this rating for races completed prior to submittal of a valid PHRF certificate. Anchorage Yacht Club may from time to time apply certain modifications to PHRF, as determined by the Race Committee.
- C) All Coast Guard safety requirements must be met by each yacht. For yachts with three or more crew members, AYC recommends that a PFD be worn by each crew member.
- D) Each yacht must carry a VHF marine radio telephone with at least channels 6, 16, 22, 69 and WX. Channel 69 will be used for required reporting between competitors. All solo racers' radios must be accessible to racers while at the helm. This can either be an adaptation of the permanent radio or a second radio such as a hand-held.
- E) Additional safety requirements for Solo and Double sailors:
 - (1) Each yacht must have a system for self-steering the yacht on a compass course or by apparent wind only, to exceed the capabilities of lashing or locking a wheel or tiller.
 - (2) Each crew member must wear a PFD when the yacht is away from the dock.
 - (3) Each yacht must have a system such as jack lines, running from near the cockpit to the foredeck, so that the crew can move from the cockpit to the forestay without disconnecting the safety harness.
 - (4) On double-handed yachts, each crewmember must have a safety harness properly fitted and worn at all times when not below decks. Any time a crewmember leaves the cockpit, they must be connected to the jack line. Solo racers must be hooked to the jack line at all times while above deck.

- (5) Each yacht must have a system for re-boarding in place at all times. This may include looped lines or a ladder.
