

2021 Cheese Cup

For Fun!

August 21, 2021

Waukegan to Kenosha

The Kenosha Regatta is for fun. The goal is to get everyone involved and have a shot at getting there about the same time, regardless of experience. To even out the field for new sailors, new members, long time sailors that can use a boost. We will assign bonus times/handicaps (head starts) to those worthy. These bonuses will be very loosely calculated, rolling dice!

Use whatever sails you have. Depending on number of boats we may divide the fleet into 2 sections based on handicaps. A & B just for fun.

Skippers Meeting at Harbor House patio at 9:00am. Start times beginning at approx. 10:30am. Approximately 13 Nautical miles.

Please text our finish times to Janet at (847) 962-1387

We will hold everything outdoors by the Kenosha Yacht Club after the race. There is a large outdoor grassy area available, feel free to bring your own chairs. BYO - all can bring something to share or bring your own appetizers to enjoy on the lawn. Awards will be presented.

After finishing you may tie up on the wall at the KYC, see map. The club allows rafting so there should be plenty of room. If you are staying overnight and booking a slip you may either go to your slip after you cross the finish line or tie up at KYC wall and move your boat after picnic and awards.

We spoke with Southport Marina all slip requests are to be reserved through DOCWA online only. Book ASAP limited slips. No cancellation fee-see website. You may also stay tied up at KYC overnight that is available as another option.

All Welcome! Just Show Up! We Will Assign A Handicap!

Start

Green "3" Buoy (pin) | 42.21653 (Latitude) | 87.47876 (Longitude)

STARTING TIMES: Starts will be in the reverse PHRF or pursuit start format. Start times will be given at the skippers meeting. (faster boats start last - slower rated boats get a head start with the goal to arrive at the same time)

Finish

42.58900 (Latitude) | 87.80800 (Longitude)
