

# 2022 Cheese Cup

## For Fun! August 13, 2022

**3rd Annual  
Waukegan to Kenosha**

The Kenosha Regatta is for fun. The goal is to get everyone involved and have a shot at getting there about the same time, regardless of experience. To even out the field for new sailors that can use a boost. We will assign bonus times/handicaps (head starts) to those worthy. These bonuses will be very loosely calculated by rolling dice!

Use whatever sails you have. Depending on number of boats we may divide the fleet into 2 sections based on handicaps. A & B just for fun.

***Skippers Meeting at Harbor House patio at 9:00am. Start times beginning at 10:30am. approximately 13 Nautical miles.***

Please text your finish times to Janet Seaverns at (847) 962-1387.

We will hold everything outdoors by the Kenosha Yacht Club after the race. There is a large outdoor grassy area available, feel free to bring your own chairs. Awards will be presented.

After finishing you may tie up on the wall at the KYC, see map. The club allows rafting so there should be plenty of room. If you are staying overnight and booking a slip you may either go to your slip after you cross the finish line or tie up at KYC wall and move your boat after awards.

Call Southport Marina all slip requests are to be reserved through DOCWA online only. Book ASAP limited slips. No cancellation fee-see website. You may also stay tied up at KYC overnight available as another option.

**THE BIG CHEESE  
WINNER 2021!**

All Welcome! Just Show Up! We Will Assign A Handicap!  
**GOLD, SILVER AND BRONZE MEDALS AWARDED IN EACH SECTION - CREW INCLUDED!**

# Start

Green "3" Buoy (pin) | 42.21653 (Latitude) | 87.47876 (Longitude)

STARTING TIMES: Starts will be in the reverse PHRF or pursuit start format. Start times will be given at the skippers meeting. (faster boats start last - slower rated boats get a head start with the goal to arrive at the same time)

# Finish

42.58900 (Latitude) | 87.80800 (Longitude)
